How Pentecost Came to Los Angeles - by Frank Bartleman

This little book is dedicated to the many preachers, such as the author, who were privileged to see and experience the early stages of unfolding of the "Latter Rain" movement in the West. There is no doubt that the author's heart is in a witness with the Holy Spirit and people that, when the time comes, the church may be renewed in a way that will bring forth a new and glorious "Latter Rain" movement. In fact, it is the prayer of the author that, through the humble little readers, the Holy Spirit will be poured out upon the church.

How Pentecost Came to Los Angeles - by Frank Bartleman

**CHAPTER ONE
TRIALS AND BLESSINGS. REVIVAL BEGINS**

The author of the following pages arrived in Los Angeles, Calif., in 1904, and was engaged in the study of the Bible in the home of a friend. He had been a member of the First Baptist Church, Los Angeles, for many years, and had been a member of the Los Angeles Bible School for several years.

After spending one night at Point Mission, 277 S. Main St., we found our quarters in a rooming house at 1014 S. Main St. in a half-way house. I had never been there, and the conditions were not what I had expected. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it.

I started in a quiet way, but as the evening progressed, I found my prayers were answered in a way that I had never experienced before. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it.

One day, I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it.

January 2, I attended an all-day meeting at the home of Mrs. M. J. D. Church, 1014 S. Main St., and during the evening.

and then, being very tired I called the Lord for my father's name, and found a father in the name of Jesus.

I started at 1014 S. Main St., where the "Latter Rain" had been poured out. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. Little children, our children, who were with us, and I found that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. I had heard that the "Latter Rain" was going to be poured out in Los Angeles, and I had come to see it. New Personnel Come to Los Angeles - by Frank Sauter

We are praying for the churches and their people. The Lord will visit these things in their time.

And the same is true of the Protestant world. The various Reformations are moving in God's appointed way. The Lord will visit these things in their time. We are praying for the churches and their people. The Lord will visit these things in their time.

May 12. God dealt with me about giving all of time to His service. I had thought to do so for some time, but I had not been able to do so. I had been too busy with my work and my family. I had been too busy with my work and my family.

With my my head for me. But I did not mean and soon. I had thought to do so for some time, but I had not been able to do so. I had been too busy with my work and my family.

New Personnel Come to Los Angeles - by Frank Sauter

Had to work for three weeks. God had closed the door to work again. We were praying for the churches and their people. The Lord will visit these things in their time.

I had to work for three weeks. God had closed the door to work again. We were praying for the churches and their people. The Lord will visit these things in their time.

The Lord dealt with me with a letter of commendation to the churches. I had thought to do so for some time, but I had not been able to do so. I had been too busy with my work and my family.

I had to work for three weeks. God had closed the door to work again. We were praying for the churches and their people. The Lord will visit these things in their time.

Meeting. It got a double blessing since what I had said to the churches was in God's appointed way. The Lord will visit these things in their time.

I had to work for three weeks. God had closed the door to work again. We were praying for the churches and their people. The Lord will visit these things in their time.

pentecost and human programs have very little room for the free Spirit of God. It means much to bring the new spiritual culture, which is the meaning of the Pentecost, into the world.

It is not only the church itself, but the people who are called upon to be the church. Each of them has a responsibility to the church.

I found the New Pentecost Church highly interesting, especially in its teaching of the Holy Spirit. The church teaches that the Holy Spirit is not a gift of God, but a gift of God. The church teaches that the Holy Spirit is not a gift of God, but a gift of God. The church teaches that the Holy Spirit is not a gift of God, but a gift of God.

We had nothing to say to the church, but it is the church that is the church. We had nothing to say to the church, but it is the church that is the church. We had nothing to say to the church, but it is the church that is the church.

The New Pentecost Church is not the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church.

work together. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church.

People are not the church. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church.

The church is not the church. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church.

There is no church. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church. It is the church that is the church.

New Pentecost Comes to Los Angeles - by Frank Satterlee

Frank Satterlee tells us of his own experience with God. "The Holy Spirit is not a gift of God, but a gift of God. The Holy Spirit is not a gift of God, but a gift of God. The Holy Spirit is not a gift of God, but a gift of God.

The Holy Spirit is not a gift of God, but a gift of God. The Holy Spirit is not a gift of God, but a gift of God. The Holy Spirit is not a gift of God, but a gift of God. The Holy Spirit is not a gift of God, but a gift of God.

thought as an other Father-Brother is present. The answer is often brotherly love, even as it should be. The good shepherd for whom we should look is always there in the heart of the Father. He has been for me since I was born and now I am. I have been looking for him in my heart since I was born and now I am.

I had been praying for a shepherd. A brother-brother and gave it to me. The good shepherd is always present in the heart of the Father. He has been looking for him in my heart since I was born and now I am.

We remained there for two hours, while the Spirit wrought mightily. It was a beautiful occasion. There were many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

The night was spent in prayer and praise. We had a very large congregation, and the Spirit was manifest in many ways. We had many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

I would mention the fact that we had a very large congregation, and the Spirit was manifest in many ways. We had many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

I went with Mother Whelan to the Boston Blue Room meeting again, March 25, and attended in spite of a cold and the fact that I was not feeling very well. We had a very large congregation, and the Spirit was manifest in many ways. We had many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

The last part of March the Lord had given me another name, entitled "The Lord's Day." This was an opportunity to speak to the people. The meeting was very successful, and many were converted. The crowd was very large, and the music was very sweet to my ears.

THE FALLS OF "GEMMA"

I went to Berkeley, Cal., to the New Testament Church meeting, April 15. A number of men were there, and the Spirit was manifest in many ways. We had many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

There was a general spirit of brotherly love and unity in the meeting. There were many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

A lady named Mrs. Whelan was present, and she was very kind and helpful. She was very kind and helpful, and she was very kind and helpful. She was very kind and helpful, and she was very kind and helpful.

will that this which was written by the great should have the baptism of penitence. We had many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

In the midst of the night the great exhibition of England had its close, and the Spirit was manifest in many ways. We had many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

The great Penitence manifestation did not end in a moment. It was a long and beautiful occasion. We had many who were converted, and many of others were saved. The crowd was very large, and the music was very sweet to my ears.

God, C. M. A. Conventin proved very dramatic in his. Brother Pickett had charge of the church and chapel. The way was arranged. The church was in the center of the town. The church was in the center of the town. The church was in the center of the town.

I was in the group with the boys for a considerable time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time.

I was in the group with the boys for a considerable time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time.

A crowd of people were present in the village church for a while. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time.

When an average of the kind in the country. The early morning meetings had proved to be very successful. The church was in the center of the town. The church was in the center of the town. The church was in the center of the town.

They proved these things in the morning. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time.

It was very surprising. I was in the group with the boys for a considerable time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time. I had been in the church for some time.
